## Certificate of Competence

This is to certify, that  
**PhDr. Filip Abramčuk PhD.**

has aquired the professional competence  
in Integrative

### Bodypsychotherapy

He participated actively and successfully in an intensive 5-year training program in Bodypsychotherapy during the period 2013-2017, which is accredited by Czech Ministry of Healthcare and Czech Association for Psychotherapy (ČPS ČLS JEP). The hours of training included personal therapy, theory, methodology, supervision and practice and was taught by an international staff of Bodypsychotherapy trainers.

Absolvent bere na vědomí, že výkon psychoterapie je podmíněn splněním státem stanovených podmínek k této činnosti. V ostatních případech opravňuje absolutorium k využívání psychoterapeutických znalostí, vědomostí a dovedností podle pravidel a v rámci své původní profese.
